SILVER

ECO TILTED

Silver Eco is a compact retractable roof system, adapted to an aluminium structure. Contemporary and stylish, Silver Eco is an attractive addition to your outdoor area.

Palmiye presents a wide range of ceiling covers, with a selection of colours, materials and patterns which are imported from Europe and U.S. with 5 years warranty against fading and mould.

The entire drainage system is integrated into the structure and lighting systems can be adapted to the ceiling cover which moves together with it.

The Spot Lights or Linear Lights are installed on the aluminium profiles and can be controlled by a remote control or with a remote controlled dimmer function.

Each of our products is hand crafted and in itself unique and from ceiling cover to construction material, you can completely customize your products.

Palmiye is proud to present its own MyPalmiye App which has been designed specifically for Palmiye products and is available at Apple's App Store.
