## MOTOR & AUTOMATION

Internationally renowned Somfy motors from France are used to operate all of our products. Guaranteed for 5 years and using RTS technology, the motors can be operated at the simple touch of a button.

## PALMIYE APPS

We are proud to present our own MyPalmiye App which has been designed specifically for Palmiye products and is available at Apple's App store.

Now you can take full control of your Palmiye experience and choose from several options, directly from your iPhone or iPad.

These include:

- Activating the infra-red heaters.
- Adjusting the FourSeasons cover.
- Dimming the lights.
- Playing your favourite music.

## FABRIC

Palmiye presents a broad range of fabrics with a wide selection of colours, patterns and elegant designs imported from the USA, France, Spain and Italy, and all with 5 years guaranty against fading and mould.

### FS Flexy

FS Flexy fabric, which is used in all Four Seasons products, is a light weight PVC-based material. Consisting of 3 layers, it is highly resistant in many ways including being fully flame retardant and water resistant as well as filtering UV light. Exclusively produced for Palmiye, it is easy to clean and is available in white, ivory and grey.

### Izo Pro

Patented by Palmiye, Izo Pro is a unique example of what Nano technology can offer. Its insulating functions mean that it ensures a room is kept cool in the summer whilst making it easy to heat during the winter months. As well as being considered soundproof it plays a big part in energy saving and Green technologies.

### Ferrari Soltis

Specially designed for Palmiye in such a way that it is see-through despite still blocking the sun and 95% of UV rays, this fabric has a natural citronella scent and acts as a subtle insect repellent that gently perfumes the area.
