

Panorama is remarkable in that it has no front support at all, thus allowing you to enjoy unbroken views. Gently arched or straight in design, Panorama is an unobtrusive way to enjoy the world in which you live.

## MOTOR & AUTOMATION

# somfy.

Internationally renowned Somfy motors from France are used to operate all of our products. Guaranteed for 5 years and using RTS technology, the motors can be operated at the simple touch of a button.

Wind Sensor

Solar Sensor

## PALMIYE APPS

We are proud to present our own MyPalmiye App which has been designed specifically for Palmiye products and is available at Apple's App store.

Now you can take full control of your Palmiye experience and choose from several options, directly from your iPhone or iPad.

### These include:

- Activating the infra-red heaters.
- Adjusting the FourSeasons cover.
- Dimming the lights.
- Playing your favourite music.

## TECHNICAL DETAILS

### ALUMINIUM RAIL (A001)

- RAL Color
- Wood Effect

### 01 DOUBLE ANTI-AIR SYSTEM

This system prevents the wind entering between the ceiling cover, rails and gutter, and creates an airtight space into which the wind cannot enter.

### 02 WATERBLOCK

This prevents rainwater entering the enclosed area, and leads it directly to the front gutter for perfect water drainage.

### 03 GEOMETRIC CROSS SECTION

With its geometric design, the specially engineered inner section gives maximum strength and wind resistance to the aluminium rail profile.

### A001

CE TUV

ISO 9001: 2008

Distinguished by their design,

durability and state-of-the-art

certified by TUV and ISO.

detailing, all of our products are

### A002

### HORIZONTAL BEAMS

The front and side beam are on the same horizontal level, giving a continuous line throughout the product, ensuring a smooth relaxing overall look, which is a delight to the eye.

Massif Wood

### SPOT LIGHTS

Depending on whether you want strong practical lighting, or an atmospheric dimmed ambience, choose from 1 or 3 Watt LED lighting options. Investing in LED technologies is part of Palmiyes contribution to a green environment.

### W001

### 10-WHEEL CAR

Our specially designed 10 wheel car drive, with its one-part stainless steel body, ensures silent, fast and balanced operation of your product.

### WALL JOINER FINISH

Typical of Palmiye, every last detail is of upmost importance. With these attractive caps, the joint between the wall and the product is covered to ensure the perfect fit and brings together the final look.

### PROFILE ENDING CAPS

Give a personal touch to your product by choosing from a rounded or straight ended cap.

### VERTICAL BLIND

Horizontal sun rays can be reduced with a vertical blind. It is a full cassette awning and the Ferrari Soltis fabric, provides shade without interrupting the view.

Palmiye with an international network and organizational structure, is represented in many countries worldwide.

The values of each different culture and their unique architectural concepts, inspire and are reflected in Palmiye's products.

As an open-minded innovator, Palmiye operates sensitively, tailoring distinctive and incomparable products, where the thoughts and feelings of world famous architects and designers are brought to life.

Palmiye, through its team of professional designers, architects and engineers, shares possible solutions with customers and ensures that they experience the true meaning of the word "unique".

Taking their place within the ever growing 'smartphone' culture, the MyPalmiye App ensures that control of each product is now with the greatest of ease.

By channelling their extensive knowledge and experience with shade systems into retractable products, which can be used all year round, their professionalism has entered a new dimension.
