

# TRUMP

## FLAT

It is a special designed retractable roof system with its flat aluminium construction.

Palmiye presents a wide range of ceiling covers, with a selection of colours, material (such as PVC, fabric) and patterns which are imported from Europe and U.S, with 5 years guaranty against fading and mould.

Lighting systems can be adapted to the ceiling cover which moves together with it. The Spot Lights or Linear Lights are installed on the aluminium profiles and can be controlled by a remote control or with a remote controlled dimmer function.

Each of our products is hand crafted and in itself unique, and from ceiling cover to the construction material you can completely customize your products.

Palmiye is proud to present its own MyPalmiye App which has been designed specifically for Palmiye products and is available at Apple's App Store.

width	1300
projection	800
max rail centers	450
